

## WORK EXPERIENCE

---

### Graphic Designer

**Coastline Marketing Group (CMG), Salinas, CA**  
**September 2013 - present**

Responsible for designing marketing materials such as business cards, brochures, catalogs, posters, and flyers. Responsible for managing clients' social media profiles and creating visual and engaging content to promote their business or product. Manage and update websites through WordPress.

### Intern (Unpaid)

**WGBH, Boston, MA**  
**July 2013 - August 2013**

Worked closely with designers and producers to complete tasks for a federally funded four-year research project called Next Generation Preschool Math (NGPM). Responsible for Quality Assurance, data entry, audio transcription, digital photography, and photo retouching. Implemented non-digital games at a local preschool to supplement NGPM's iPad games.

### Student Manager, Camp Counselor

**UC Irvine Men's Basketball, Irvine, CA**  
**January 2011 - June 2013**

Responsible for filming games, setting up for games and practices, and completing small design projects. Practiced safety standards when operating large equipment and lifting heavy objects. Coached children ages 5-10 at youth summer basketball camps hosted by the UC Irvine Men's Basketball team and staff.

### Artist, Designer, Researcher

**Multidisciplinary Design Program (MDP), Irvine, CA**  
**April 2012 - June 2013**

Created graphics for an educational iPad game (still in progress) that aims to teach children about the human digestive system ([www.downwithfood.com](http://www.downwithfood.com)). Worked with programmers to ensure assets were compatible for deployment. Conducted user testing. Presented at conferences. Co-authored a paper accepted by the 2013 European Association for Research on Learning and Instruction (EARLI) conference in Munich, Germany.

### Artist, Designer, Researcher

**Autism App Jam at UC Irvine, Irvine, CA**  
**April 5-19, 2013**

Worked with a team of 4 other students in a two week competition to create an Android mobile application that caters to users with Autism. Designed and created graphic elements and presented the application on judgment day. Won 1st place and a trip to tour Google in Santa Monica, California.

### Americorps Member

**Jumpstart for Young Children, Irvine, CA**  
**September 2010 - June 2011**

Worked with a team of six corps members to implement early literacy curriculum and hands-on activities in a preschool classroom. Read books to children and facilitated activities that reinforced concepts depicted in the books.

## EDUCATION

---

### University of California, Irvine (UCI), Irvine, CA

Bachelor of Arts, Studio Art, Class of 2013
